COMPLETE COLOUR

Spring 2025 Collection

Made to order in our UK studios, almost all of our pictures are available in a choice of sizes and all of them can be made to your specification: whether traditionally glazed and mounted, overbrushed with a hand-applied clear coating that emulates the brush strokes of the original work and brings out the depth of colour, or embellished with our liquid art process, a special mixed media embellishment, enhanced with eye-catching crystals and applied by hand to the surface of the glass.

You may also wish to arrange an appointment to see our show van: view the finished pieces conveniently at your own premises, take immediate delivery from stock, or place an order for your own selection.
